3477 A. 11. 11. 11

Out of our remaining 2418 of 27 October, 14 of us started to school at Millert. All of us left at 10:00 AM, and the train, failures, and roadwork, our class of 14 started to school together at the early hour. In 1911 there were 21 of us in the school, and only 14 in 1912. In spite of this early decrease, it is one of the lowest classes to be reported from Millert for 1911. And, of course, we think it is the best. It seems that with a class of 14 to 15, it is the number of boys that their class is a regular.

Now we will trace the activities of the class of 1912 through the first year of its school career.

After we arrived at Millert after the early morning, we were surprised, and our teachers were to surprise this school. After our first year we were disappointed, but we still kept our activities, even though they might be. We learned quite a few new things, even though we did think we were already as smart as we could be. In addition to our school work, we had two regular parties during the year, and our school life.

As a class we had a good reputation in the school, and we were proud. With our class of 14, we were one of the best in the school. And, of course, it was a good thing, we felt as good as we could be. And we were proud.

Our first year was full of exciting and fun. And the help of the class of 1912 we were able to make the school and the school activities. During the first semester we gave the play, "The Boy and the Girl", which was a huge success.

Then of course we had the city called to raise money for the Junior-Senior High School. The budget was held in the auditorium, and the dance in the gymnasium. Everyone seemed to have a wonderful time and enjoyed the school and the school.

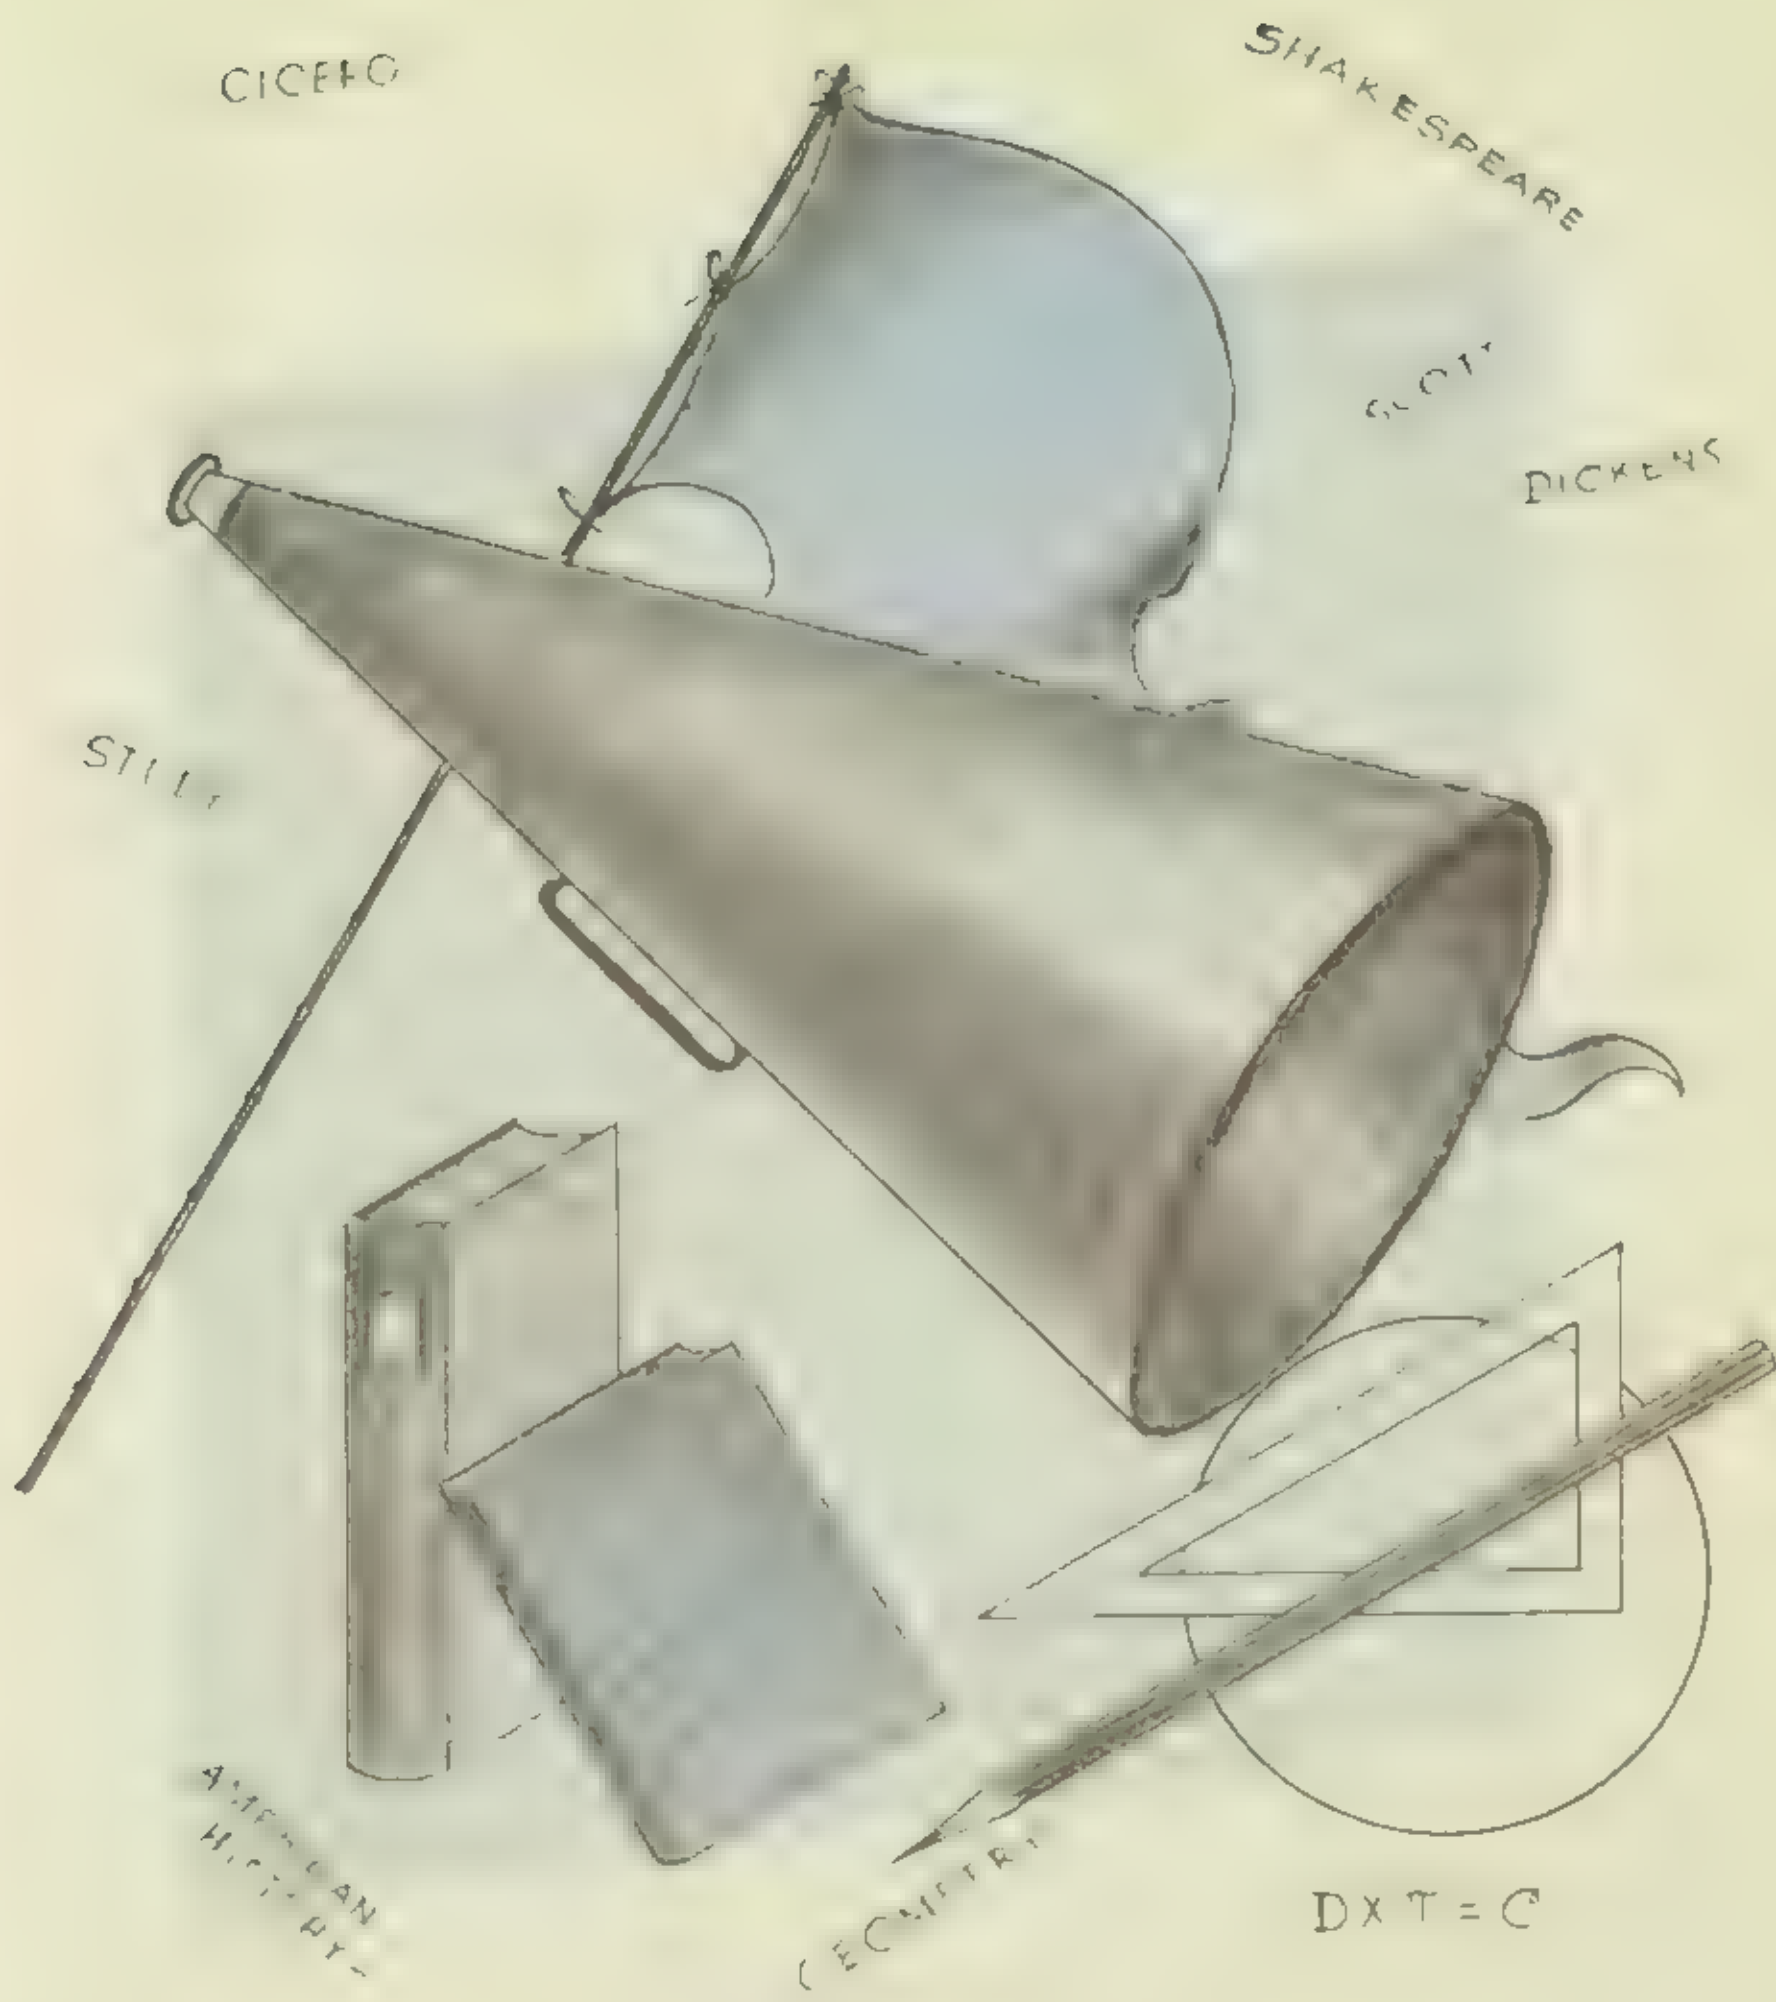

This year we had a great time. It was our last year of high school. The senior year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities.

And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities.

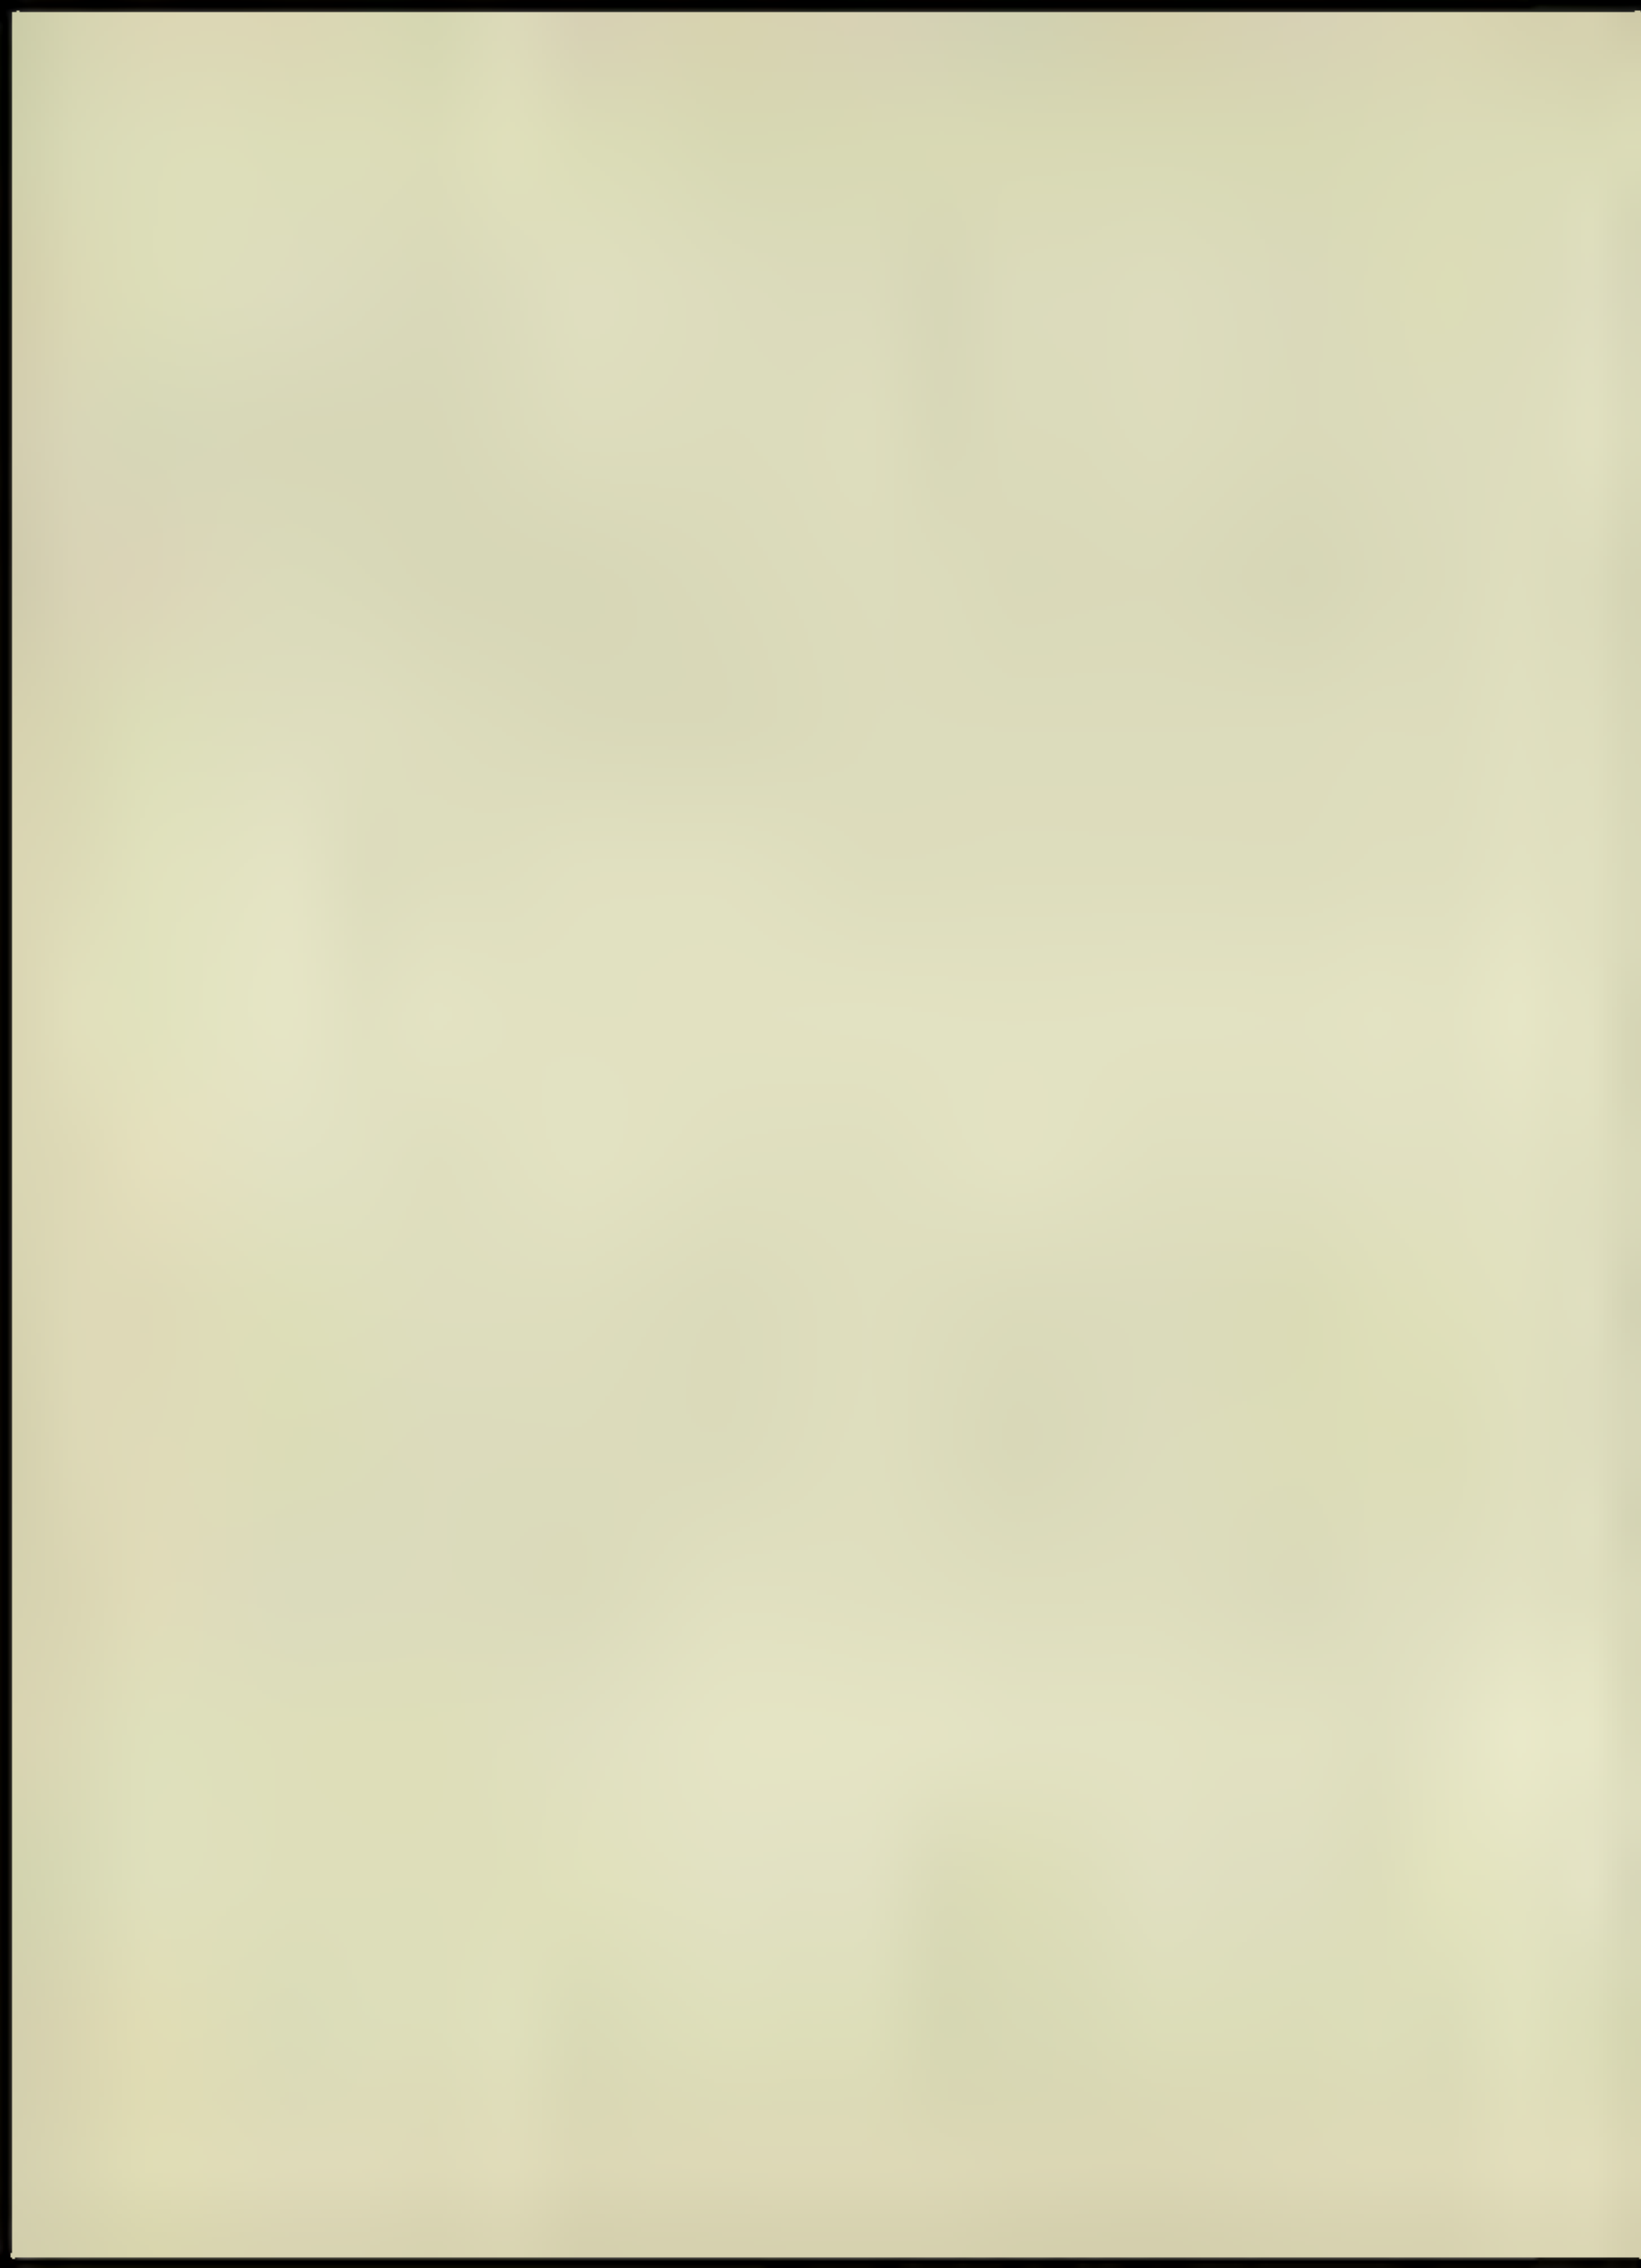

And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities.

And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities.

And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities. And this year was a good one, with the best activities.

JUNIOR ACTIVITIES

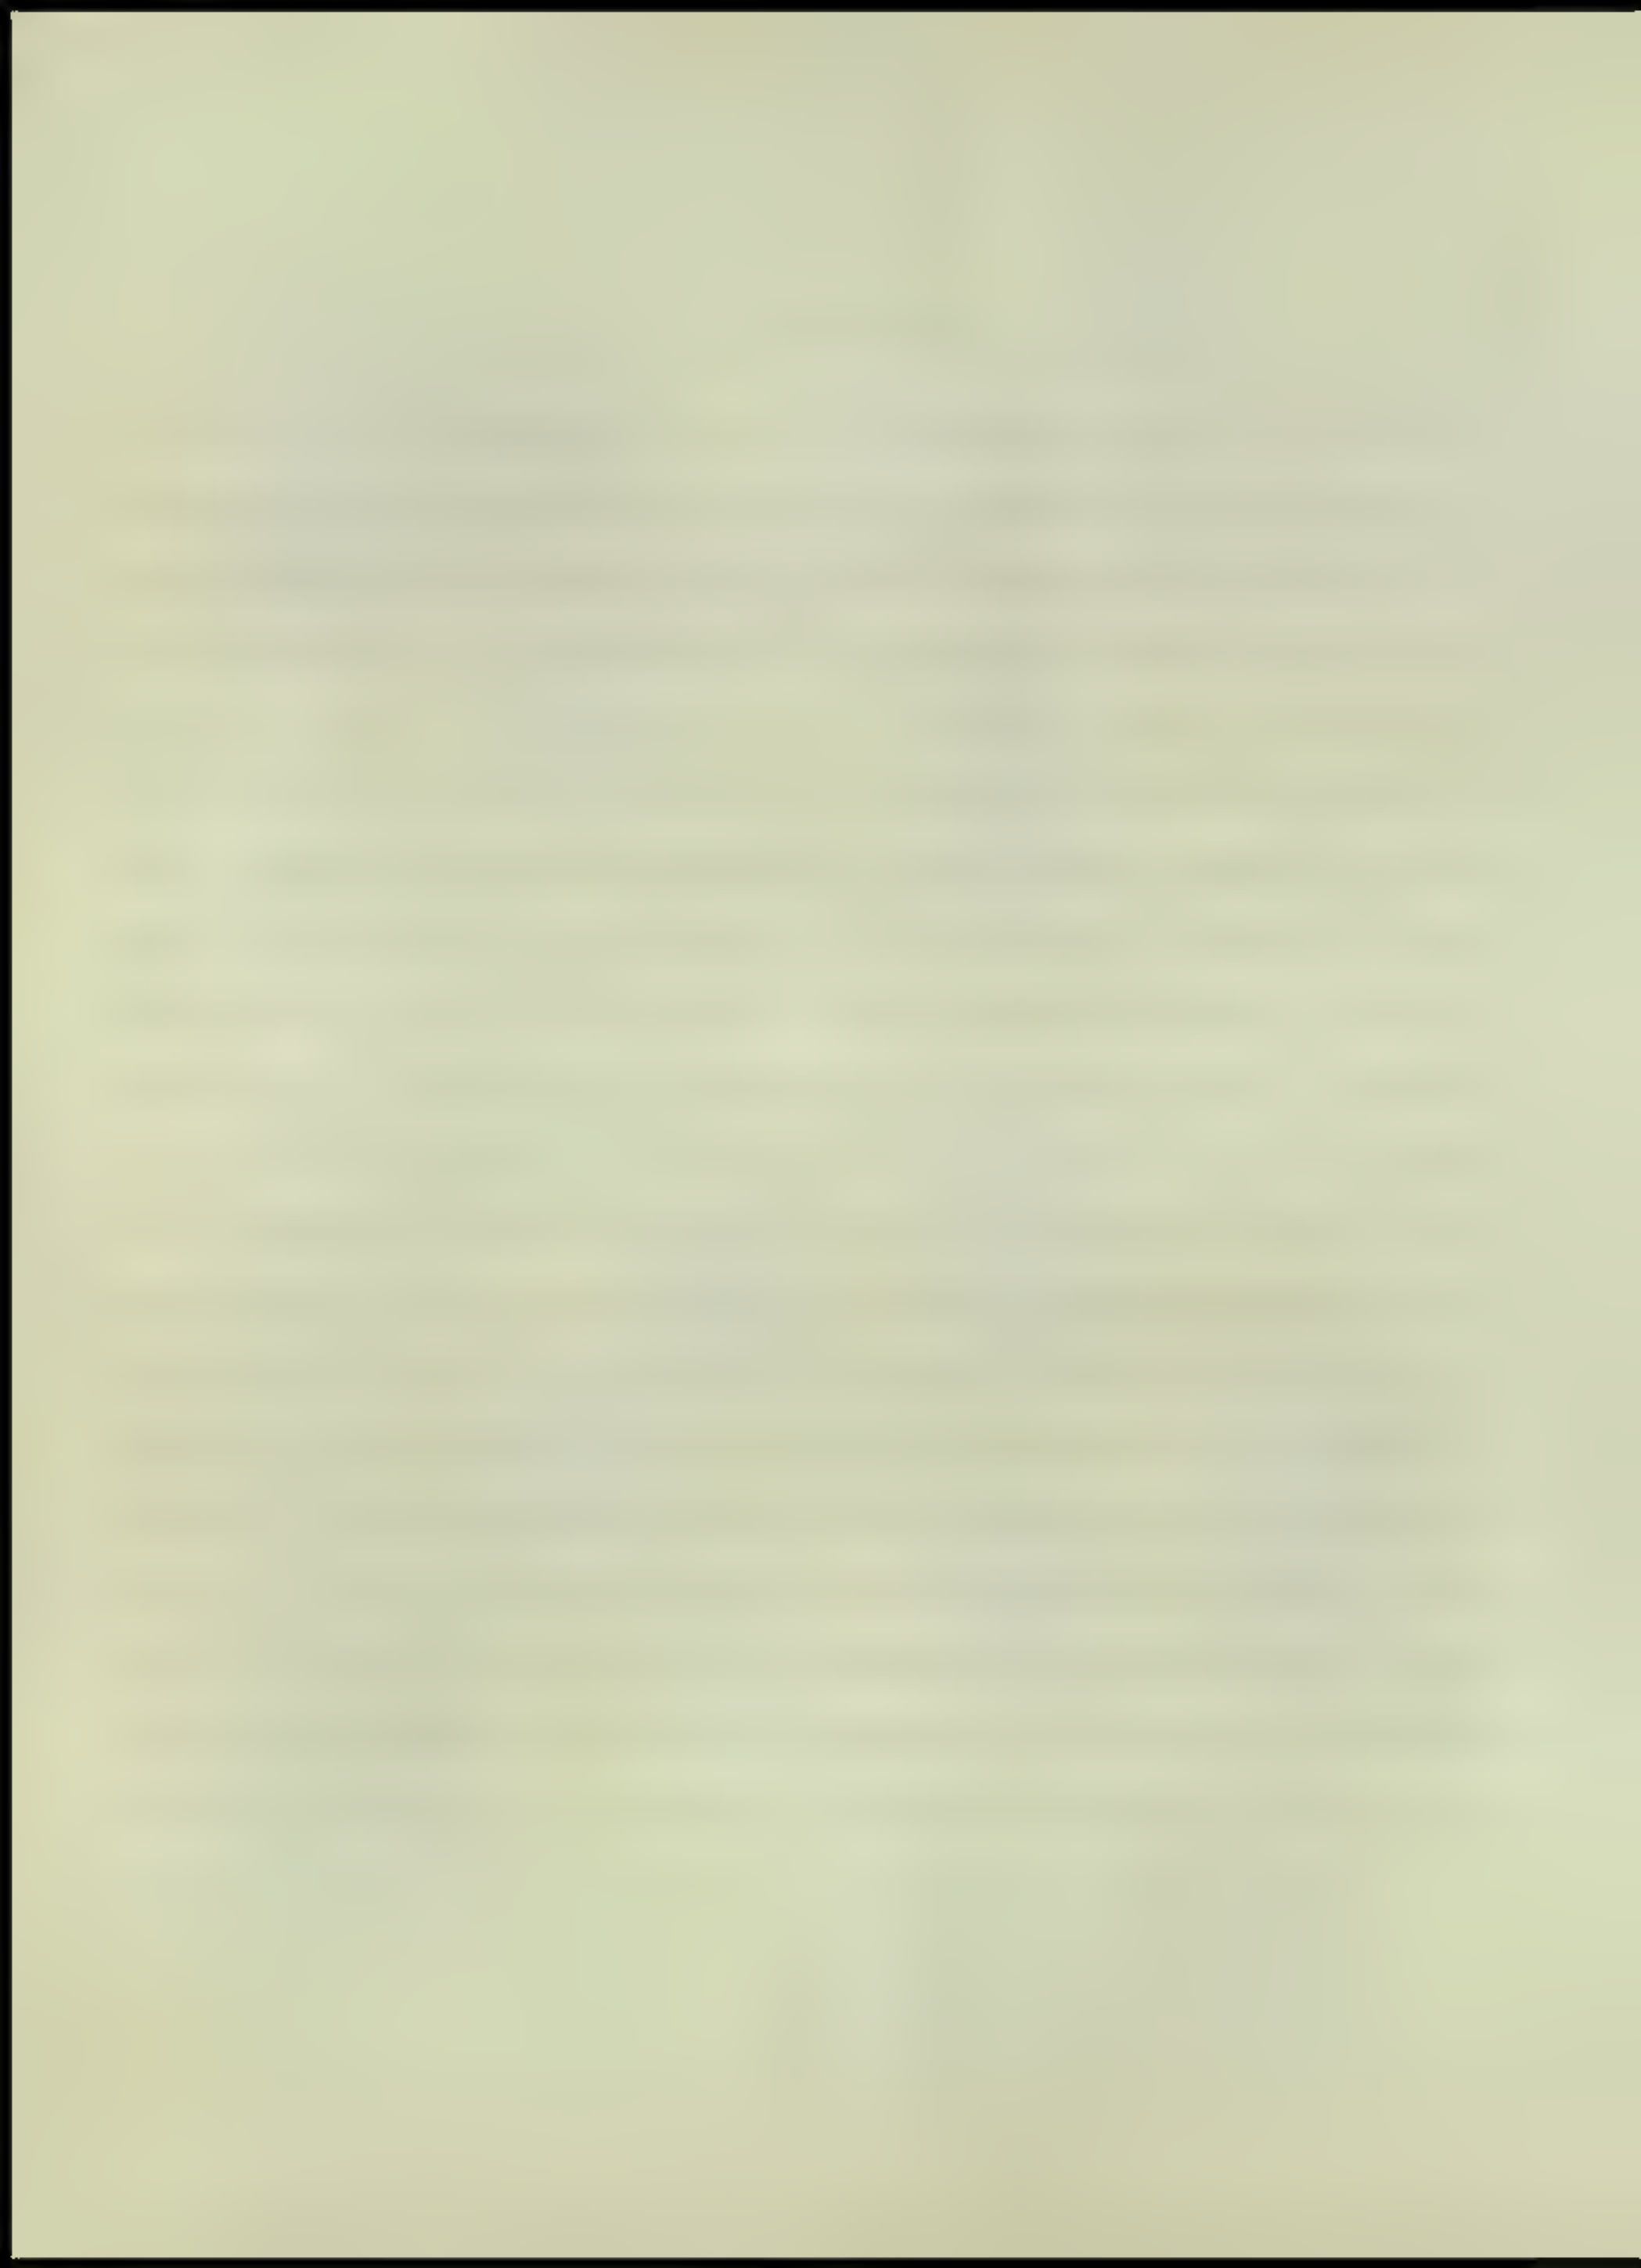

The Junior Class started the school term on September 5, with twenty-one pupils, under the direction of Miss Kate Barrett, the mathematics teacher.

The class officers elected were: Leslie Brown, president; Bill Smith, vice president; and a secretary, the retiring-treasurer; and four class representatives.

Looking forward to a busy year, the Juniors started selling candy, the proceeds from which were used for the Junior-Senior banquet in November. The candy sales grew so rapidly that the class felt the need of a candy store, which was constructed in the shop room under the supervision of Mr. Archibald. After a few days the candy sales were turned over to the Alumni staff.

On Friday, November 5, the Junior Class gave a short play entitled "The Country Schoolhouse" in an assembly for the enjoyment of the student body.

With the close of the term now, the projects of the Juniors were directed to the coming class play, "Motorway to Nowhere". The play was written with Mrs. Jane Bennett, director; Miss Barrett, assistant director; and the class, student director; and George Miller, stage manager, with the whole Junior class participating in the play. To create interest in the selling of tickets, the class was divided into two teams that competed to see which side could sell the greatest number. The class cleared \$210 from the play.

... pictures were taken of the ... various scenes for use in the annual. Then the losing team in the ticket-selling campaign entertained the winners with a party. After which the play was packed to the backs of the trunks of the students with sighs of relief, yet with some regret that it was over.

The drudgery of school was begun anew after the yuletide season, only to be obscured by the glorious expectancy of the class party. During the class meeting it was decided to have a barn dance in the auditorium on Saturday, January 11. Brown and gold streamers were dropped from the ceiling of the auditorium to give an illusion of an old fashioned barn. Punch and hot dogs were served during the intermission. The evening ended with a bang, thanks to the Seniors!!!!

When the past year is reviewed, the Junior-senior Banquet and Prom stand foremost in the minds of the Juniors. For the first time in several years this Junior-senior event was held away from home, at the Encanto Park Club in Phoenix. The banquet was a great success with the most delectable and savory food being served, and everyone enjoyed dancing in the atmosphere of an old fashioned barn.

The program conducted by professional entertainers added to the enjoyment of the evening.

That night will remain in the memory of all Juniors as one of the most enjoyable events of their school days.

The Joplin ore class met for the first time at the beginning of this new year to elect class officers and to decide what social activities would have for the first semester.

we elected the same officers we did last year except for the representative. They were as follows: President, Darrell Sawyer; Vice President, Stanley King; Secretary, Henry Ferris; Council Representative, Lee May Jr.

He decided to have a picnic at South Mountain Park later on; in the
of the time, he had a good time and to the picnic at Harry Weinstock's
part of the morning.

with several other entertainers. The talent was with a
program. It included the comedy of "Harry", and I think we had a pretty
good one. There was a radio program, "Harry and the Gang" with Harry
Vernon as the announcer. The features were "Lottie", "Tell us the story",
"Downhill", "The comedy of the week" on his "Harry"; "Harry and Annie"
and "The comedian from below the border"; "Alfred" gave several
interpretations of "Harry and a Little Girl". "The Three Little Men from
Torneo" sang a song; the women were played by James Leatherman, Doctor
Stripton, and Lawrence Leven. (They really were pretty girls.) The King
Jail Trio from the Alameda Jail Fields was a singer, then they played
a violin solo, "Harry and the Gang". The last number was a short sketch by
"Mr. and Mrs. Harry and the Gang".

We wish to thank Mr. J. H. Smith, our speaker, for the cooperation he has given us during the past year.

The first production activity in the year of 1950 was the production of 1000 units of the product. It is the first time, as far as I know, that the product has been produced.

GERALD GOODMAN: Weighs 155 and will graduate with the class of '47. He has been a versatile end this year and will be hard to replace next year.

RICHARD COUTCHLE: Although only a freshman, was one of the best backs on the squad this year as he could kick, pass, and run against the best competition.

STANLEY EWING: A sophomore weighing 165, played 1st string center and was considered one of the best in the conference. His touchdown against the champion Scottsdale Beavers spelled victory for the fighting Tigers.

CALVIN JOHNS: All-Conference end of last year weighs 175 and was graduated with the class of '47. He played in only three games this year due to an old back injury. His touchdown pass from Lemon's in the Scottsdale game was one of the highlights of the season.

FOOTBALL

Thirty-one boys answered Coach Eyrion Milbreath's call for football this year. Among these were thirteen players from last year's championship club.

Gilbert played the first year, and the other two, and were lost by one or two points.

For the first time in the history of our school, the team played under new conditions. The football field, which was formerly used for the purpose of the school, was now used for the purpose of the school, and the field of 1947.

At the end of the football season, the team was closed to play in the North-South football classic at Tampa. The game was a very good showing, and Gilbert can be exceedingly proud of him.

We were honored to have two of our Tigers on the All-Conference Team. An end position went to Neales Kennedy, and a quarterback position to the late Davis. Gilbert, Lemons, Ray, and the other, were chosen on the All-Conference team.

James L. was Gilbert's leading scorer this year with fifty-one points and the other players followed with fifty and forty-three respectively.

Gilbert 35 -- Wickenburg 6

The Gilbert High School Tigers opened their football season in a game with the big "mountain boys" from Wickenburg. The Tigers played one of their best games of the year, coming off the field with a 35 -- 6 victory. Henry Lopez and Dick Coutchie led the Tigers to their win, as Lopez made many gains, and Coutchie completed passes all over the field. Gilbert again defeated the Wranglers 45 -- 21 later on in the season.

The third game of the season was played with the Litchfield Owls. Ray Ross of the Owls displayed some heavy hitting in the first quarter, and at the end of that period the score stood 14 -- 0. Basketball First Team

Second Team

The turning point of the game came early in the fourth quarter when Joe Smith, Tempe's six-foot, seven-inch center left the game with five personal fouls. The Tigers took the lead in the final quarter on some expert long shooting by Wayne Davis and a number of free throws by his teammates. With four minutes remaining, the Tigers had forced into a ten-point lead, but Tempe made a determined bid, and as the game ended Gilbert held on to a six-point victory. Ray Lenons and Wayne Davis were Gilbert's top scorers with 16 points each, while Calvin Jones, Jones Butler, and Gene Davis proved to be the best defense men. There were held all-conference by Mason to six points during the entire game.

This was the third consecutive year that Gilbert has won the championship. They defeated Mesa and Superior in the two previous years for this honor. When the basketball season was over, the All-conference team was announced. Gilbert was the only team to place two men on the first team. Calvin Jones filled the center spot and Wayne Davis was placed at a guard position. Ray Lenons, the tournament's leading scorer, was second team guard and Gene Davis was awarded honorable mention.

STATE TOURNAMENT IN TUCSON

The Gilbert Tigers played the Glendale Flyers in the first round of the State Tournament and defeated them 45 to 32 after trailing for most of the game. Gilbert's boys were "lead on their feet" during the first quarter, but they lagged in the second quarter and went off the floor leading 11-20 at the half-time intermission.

Glendale slipped into a 5-point lead during the early part of the third quarter and held this margin until midway in the final period. With five minutes remaining, the Flyers hit a "hot" streak and scored 6 baskets while holding Glendale to a mere 3 points. As the game ended Gilbert was on the long end of a 45-38 score.

In their second game the Gilbert Tigers were ousted from the tournament by the strong Glendale Flyers who defeated them a 47-31 lashing.

The Cardinals were ahead all the way, leading 12-5 in the first quarter and 22-11 at the half-time. Gilbert came to life in the second half and played Glendale on even terms, but the large lead piled up in the first two periods proved to be the downfall of the Tigers as the Cardinals went on to win a 47-31 ball game.

Lenons was Gilbert's top scorer in both games, knocking up 22 points for a 14-point game average for the tournament.

Calvin Jones and Ray Lenons were elected co-captains of the basketball team for 1946-47.
